Dear Neighbor,

On behalf of the City of Carlsbad, it's our pleasure to welcome you to another fun-filled season of TGIF Concerts in the Parks, where we come together to celebrate music, food and fun under the summer stars.

Now in its 33rd year, TGIF showcases nine multi-talented bands which bring the Latin, country, jazz and soul back to our parks this season. Please check pages 14 and 15 of the program to make sure you don't miss a beat.

There's more to TGIF than just music! Let one of the delicious local onsite food vendors provide your picnic and snacks. Bring the whole family to Family Open Studios for free, hands-on art making activities for all ages. Visit our Carlsbad Friends of the Arts booth for Opportunity Drawing tickets and great TGIF merchandise.

To ensure your concert experience is smooth and stress free, we encourage you to take advantage of the free shuttle service from nearby sites or to consider ridesharing options. New for this season, anyone who takes a ride on our luxury shuttles will receive one free Opportunity Drawing ticket for our intermission festivities!

TGIF would not be possible without our longstanding community partnerships. The Carlsbad Friends of the Arts, a major supporter of these concerts, make an immeasurable contribution to the arts in Carlsbad and help create the thriving, creative community our residents cherish. A big thanks goes out to PCH Litho, Inc. for printing this vibrant souvenir program. Our gratitude goes out to all the businesses and individuals who provide financial support to TGIF by advertising in this program.

Special recognition is due to staff from many city departments, including our colleagues in the Library & Cultural Arts, Parks & Recreation and the Public Works departments, as well as the Police Department, its young volunteers in Explorer Post 781 and the Senior Volunteer Patrol. They ensure the concerts are safe, clean and fun for all.

Finally, a special thank you to the City Council for its continuing commitment to the arts in Carlsbad. TGIF Concerts in the Parks is just one of numerous programs offering an arts experience to the community.

We look forward to seeing you at the parks this summer as we come together to celebrate music, family and our Carlsbad community.

TGIF Concerts in the Parks

More than 30 years ago, the Cultural Arts Office decided to host free live music in a few parks in Carlsbad. With only a few floor boards and some lights, a few hundred friends and neighbors joined us for what became Jazz in the Parks for over 25 years. As time went on, the concerts moved from park to park to accommodate our growing audience. In 2014, TGIF found its current home at Stagecoach, Poinsettia, Calavera Hills and Alga Norte community parks – the four largest parks in Carlsbad.

Throughout the years, TGIF has welcomed hundreds of guest musicians and hundreds of thousands of audience members into the parks for a memorable summer night. You're now part of the largest family in Carlsbad – the TGIF family!

TGIF honors our tradition of creating a fun, safe space for the community to come together and dance the night away for nine Fridays each summer. We value creating a quality experience, and over the years welcomed Family Open Studios to each event, as well as food vendors to offer picnicking options for everyone. Always free, TGIF is place for residents of Carlsbad, north county and beyond to celebrate summer in our beautiful city.

TGIF Concerts in the Parks is presented by the City of Carlsbad's Cultural Arts Office and generously supported by the Carlsbad Friends of the Arts.

At TGIF, Music is Just the Beginning!

You may have noticed the program cover for this season of TGIF Concerts in the Parks features beautiful new artwork. This unique work was created for TGIF by local artist Skye Walker (at left), whose mural work has graced

the walls of businesses and organizations all over San Diego County and nationally. With a background in graphic design, once Skye painted his first mural he was hooked.

Skye's work reflects his love for the environment and the beauty he sees in the world. We couldn't be more excited to welcome Skye as the first artist to create TGIF artwork and to have it in your hands!

Cultural Arts Office

With the creation of the Cultural Arts Office in 1986, the City of Carlsbad became one of the first cities in the county to dedicate staff to arts and culture programming. Since the beginning, the Cultural Arts Office has worked to make arts and culture an integral and inspiring part of community life through a variety of programs and services. The City of Carlsbad and the Cultural Arts Office strive to create connections among artists, cultural organizations, community groups, businesses, visitors and residents that sustain and promote a thriving, diverse and creative city.

That vision continues today with a new 10-year Arts & Culture Master Plan that will guide and grow the Cultural Arts Office to provide even more vital roles and programs in the community. After hearing from you, the office is excited for these next steps to continue the growth of arts and culture in Carlsbad. WE WANT TO BE YOUR CARLSBAD CONCIERGE AND TAKE CARE OF ALL YOUR REAL **FSTATE NEEDS!**

Hello! I'm Brian Colby. I live and raise my amazing family in Carlsbad and I'm grateful for the opportunity to work for you and your amazing family!

Sellers! Don't lose money when selling your home. Here's some helpful tips that can save you time, money and anxiety

- Avoid offers from agents that promise to buy your house or guarantee to sell it in 30 days. Like trading your car into the dealer, your only guarantee is that you'll end up giving them your home for less than it's worth.
- Avoid using national online companies that promise cheap commissions and then farm your listing out to the next salesperson in line. Unlike those agents, I don't work on a salary so my incentive is to sell your home quickly and for the highest possible price.
- Avoid discount internet companies that charge a fixed fee to sell your home. Your risk of the deal not closing may increase and you lose the opportunity to choose the right agent for your situation. Would you expect the least paid agent to have the incentive to go above and beyond for your deal?

Refer your friends or family who are ready to shop and buy a home with cash and you'll receive 50% of my commission upon closing.
